We invite one and all to compete in our First Annual Collaborative Courts Foundation (CCF) Charity Pickle Ball Tournament. We have four great ways for you to enjoy the day and help us raise much needed funds to support the incredibly successful Collaborative Court programs and CCF's work supporting the Courts by helping participants stay housed, fed and healthy.

- First, if you are a member of an organization (affiliate bar, OCBA division, section, or any other type of organization) put together your team of at least six and compete for the Organization Team Trophy.*
- Second, if you are not a member of an organization but want to compete as an individual or for your firm - buy a ticket for the Non-Organization Team Trophy and play with a friend (or we will assign you a teammate so you can compete).*
- Third, don't know what pickle ball is but would like to learn or play a bit, buy a Non-Tournament Fun and Friendly ticket.*
- Fourth, want to see the fun, root for your team, and have some great food and drink, buy our Social Non-Player ticket.*

It all goes to a worthy cause so don't miss out on the fun and join us.
